

## Recruitment Advertising

### About MKH Recruitment Advertising

[Recruitment Advertising](#), MKH strive to deliver its services with the minimum of fuss and the maximum of personal attention. MKH are determined to get things right - first time. They will deliver what they say, when they say it with professional advice and the highest levels of personal integrity, corporate responsibility and commercial awareness to benefit your business to find the best candidate for the position.

MKH aim to provide its clients with the best [Recruitment Advertising](#), in the best media at the best price. MKK clients measure our service by successfully recruiting the right people at the lowest possible cost. As shown by Anita Palmer, human resources Manager below.

MKH service is delivered through its highly skilled account managers and without the quality of its people MKH would not be able to provide its excellent recruitment advertising service. MKH employees are of the highest calibre and will work with your business to find that wright candidate. They have extensive knowledge of marketing techniques and will research markets to find the best media to advertise your business positions.

MKH is a singly focused company, dedicated to providing recruitment advertising solutions that ensure clients get the right advertisement in the right media at the right time – with success measured by cost effective vacancy fulfilment. In other words – job done.

MKH is an agency that listens and delivers" - Lorna Stevens, Client Manager at Easy Resourcing PLC - "As a company, we had not used an advertising agency before and had to find a corporate ad design to market our organisation. You listened to our requirements perfectly, which resulted in a design that portrayed Easy Resourcing PLC perfectly."

The special needs of Government agencies are also uppermost on the MKH customer service agenda according to Anita Palmer, Human Resources (Operations), Valuation Office Agency "We are very pleased with the efficient and friendly service we have received from MKH. You have provided us with very helpful advice and assistance in our advertising campaigns and we have been more than happy with the response the Valuation Office Agency have received."
